### Gingerbread House Decorating Activity

This holiday season, Believe in Me is bringing joy to underserved youth through our Holiday Gingerbread Experience. We're distributing fully assembled gingerbread house kits and festive goody bags filled with treats and small gifts—often the only holiday activity many of these children will experience.

You can help make it happen. Sponsorships start at \$35 per kit, and we also welcome in-kind donations like educational items, personal care products, branded swag, candy, holiday apparel, or activity passes. All contributions are tax-deductible, and sponsors receive a few gingerbread kits to enjoy at home. Join us in spreading holiday cheer to kids who need it most.
