Part II, Line 10 - Other Income Detail

Fundraising & Other Income \$ 5,507

Part II, Line 17a - 10% Facts and Circumstance Test - 2019

The Foundation meets the publicly supported test through facts and circumstances as follows:

Ten-percent support limitation - The percentage of support normally received by the Foundation is substantial (greater than 10%) and far greater than the minimum threshold.

Attraction of public support - The Foundation maintains a continuous and bona fide program for solicitation of funds from the general public and surrounding community by hosting several fundraising and outreach events each year and encourages donations both at and subsequent to the events. The largest event last year asked for non-cash donations in the form of backpacks and tennis shoes for children in need. Those items were then donated to various organizations, but ultimately reduced the potential cash donations. The Foundation's development plan includes several newsletter mailings to the community and potential donors. The Newsletters solicit donations. In addition, the Foundation advertises on its website for general public donations.

The development plan has been reworked during the year. The Foundation provides, and will continue to provide significant support to Morning Star Boys' Ranch for the ever-growing cost of providing housing and related services to children. The solicitations and subsequent grants

help ensure the residents' continued well-being. As the Morning Star Boy's Ranch also builds its own fund raising function, the Foundation has expanded fund raising and granting to other community organizations in addition to the Morning Star Boy's Ranch. As the transition in the development plan occurs, fund raising from general public solicitations has slowed. The Foundation expects that trend to reverse within the next year or two.

Sources of support - The Foundation receives support from estates and trusts, businesses, and individuals representing a range of persons and sources providing for the support of the Foundation. These sources will continue to be the focus of the development plan.

Representative governing body - The Foundation's Board of Directors is comprised of community members representing varied interests and professional experience of the community including the financial, medical industry, at-risk youth counseling and services, and educational sectors. The board has dedicated their time to ensuring they understand the needs of the broad interest of the public.

Availability of public facilities or services - The Foundation partners with other non-profit organizations in the community to provide less fortunate children with the opportunity to succeed. Opportunities like education, arts and cultural enrichment, and the chance to experience the adventure of the great outdoors. Through this outreach, the Foundation is able to help a foster child feel at home, support healthy lifestyles with after school programs, and create unique and valuable life experiences to

help shape tomorrows leaders. The Foundation supports many charitable youth programs in Spokane and the greater Inland Northwest communities that include the following:

Morning Star Boys' Ranch - The Foundation primarily makes distributions to the Morning Star Boys' Ranch (the Ranch), whose purpose is to operate residential treatment facilities and responsible living skills and transitional programs for youth in need of shelter, care, support, and direction. The Foundation provides an annual distribution to the Ranch that is significant in the Ranch's operating budget, and has also committed additional funds for an expansion project of the Ranch over the next few years.

Educational Fund - Every year the educational needs of children in our community are challenged. The Foundation gives back by providing equipment and financial support to youth programs in our community that build the children up to be future leaders.

Distributions were made to various other charities for the following purposes:

-Tutoring Program for Foster Children

-Transitional Living Center Educational Care Program

-Kids in the Hills Program
