Gingerbread House Decorating Activity
Let’s keep up with this fun holiday tradition! The Believe in Me Foundation is cordially inviting your organization to join us for A Place to Call Home Charity Fundraiser, featuring local celebrity chef, bakery owner, and gingerbread enthusiast, Ricky Webster.

We are celebrating the important work four local nonprofit programs are doing to help homeless youth have a safe place to call home. These programs support our mission by creating a sense of family and community while building the skills and self-esteem kids need to fuel their futures. Please consider sponsoring this fun event!
